

Washington University, St. Louis

Department of Mathematics

Required	Strongly Recommended	Minimum Requirements	Other Factors
<p>General GRE scores are required by the Graduate College, but there is no minimum cut-off score for acceptance into the Ph.D. and master's programs in mathematics and statistics.</p> <p>For further information see http://wumath.wustl.edu/graduate</p>	<p>Calculus I-III, linear algebra, and upper-division courses such as abstract algebra and real analysis are strongly recommended.</p>	<p>There are no formal minimum requirements. We evaluate a student's potential to succeed in graduate school based on a variety of factors, including evidence of superior performance in the mathematics courses and activities available at the student's undergraduate institution.</p>	

Current Practice on Application Fee Waiver:

The Graduate Division has listed Alliance applicants as eligible for fee waivers.
