University of Michigan-Dearborn REU Site in Mathematical Analysis, Algebraic Music Theory, and their Applications

May 29-July 20, 2018

Student participants will work on projects related to differential equations, complex analysis, operator theory, spectral theory, and mathematical music theory.

Eligibility

-U.S. citizen or permanent resident

-Students from underrepresented groups in mathematics, women, and students from two-year college programs are strongly encouraged to apply

Support: Accepted students will receive about $4,000 stipend, housing, and travel funding to present at conferences.
