

# University of Arizona

## Department of Applied Math

Required	Strongly Recommended	Minimum Requirements	Other factors
<p>General GRE scores are required by the Graduate College.</p>	<p>The Math Subject GRE is strongly recommended.</p> <p>Upper-division courses in Linear Algebra, Differential Equations, and Advanced Calculus are also strongly recommended.</p>	<p>Courses in Complex Variables, Partial Differential Equations, and Real Analysis are good supporting courses.</p> <p>Since computation is such an important part of applied mathematics, programming skills and coursework in numerical analysis make for a stronger application.</p>	<p>Since this is an interdisciplinary program in applied mathematics students with strong interests and course work in STEM areas are more competitive.</p> <p>Undergraduate research experience and graduate coursework is viewed positively.</p>

### Current Practice on Application Fee Waiver:

The Graduate College has listed Alliance applicants as eligible for fee waivers.
