Current Practice on Application Fee Waiver:

The Graduate College encourages interested students to go to the Committee on Institutional Cooperation (CIC) website to review the eligibility requirements. It is not just for minority applicants. FreeApp is designed to increase access to graduate education for students who possess qualities and experiences that enhance the diversity of the intellectual, cultural, and social environments at CIC universities. <http://www.cic.net/home>

See www.sophas.org for available fee waivers.
