

University of Texas At Arlington

Department of Mathematics

Required	Strongly Recommended	Minimum Requirements	Other factors
General GRE scores are required by the Graduate Office.	Upper level math courses in Abstract Algebra and other areas of mathematics.	Upper-level course in Linear Algebra, upper-level course in Differential Equations, and a proof based analysis course (preferably year long). In some exceptional cases some students might be supported in their first graduate year while taking undergraduate analysis.	REU or some other supervised research experience is a plus.

Current Practice on Application Fee Waiver:

There is, in general, no application fee waiver for any student groups. A special arrangement needs to be made for the Alliance Scholars before the application.
