

# ust\*rs.

underrepresented students in topology and algebra research symposium

The Eighth Annual USTARS  
will be held on April 6-8, 2018  
at Reed College  
in Portland, OR

Faculty Speaker: Jose Perea  
from Michigan State University

Check out [www.ustars.org](http://www.ustars.org)  
for more information and to  
apply to attend and present.

The primary mission of the Underrepresented  Students in Topology and Algebra Research Symposium (USTARS) is to showcase the excellent research conducted by underrepresented students studying topology and algebra. Dedicated to furthering the success of underrepresented students, USTARS seeks to broaden the participation in the mathematical sciences by cultivating research and mentoring networks. USTARS is open to all people interested in the topological and algebraic fields.

(Our definition of underrepresented includes the definition provided the National Science Foundation: minorities (African American, Hispanic, and Native American), women, and individuals with physical disabilities.)
